Fellowship Baptist Church

Washington:

Oak Grove Baptist Church

Sand Hills Baptist Church

In addition to the church relationships, we have 7 local mission tracks that we follow:

General processes of the NWCBA (includes fostering relationships between pastors and churches, coordinate leadership for pulpit supply, interim pastoring, and pastoring/church staff; provide pastoral care; coordinate counseling for church leadership; assist in linking churches to their communities; assist in church health processes including revitalization, church fostering, replanting, and planting; help trouble shoot declining church health; provide leadership training and development; assist in conflict management; support ministry/missions training;

Pastor Peer Groups (includes Pastor Leadership Group, Pastor Evangelism Group, Eastern Pastors Group, New Pastors Group, and Pastors Prayer Group which involves over 30 pastors)

Disaster Relief Shower Trailer (deployed for 7 mission project and trainings and one hurricane deployment in 2023)

Family of God Baptist Church (provided space and support for continuing presence while FEMA process continued)

Grace Covenant Baptist Church (provided space and support while linkage to the former Brannonville Baptist Church was finalized and renovation planned.

Live The Life (a marriage and family group that seeks to drive the divorce rate down in our area; provide space and support for Adventures in Marriage, The Third Option, grant applications, and other resources.)

Foster Family Support (although the presence of a foster family licensing specialist has not been reinitiated, Reagan's Wish continues to offer tangible support and resources)

All the above support our mission of Encouraging, Equipping, and Engaging our network of churches to share the love of Christ with our communities.
