2021 Summer Mission Trip

Church History:

Roe Junction is over 100 years old. On March 29, 2020 lightning struck the steeple and the sanctuary built in 1999 was destroyed by fire. Services are now being held in the fellowship hall in the back part and makeshift Sunday school classes in the front area. The process of rebuilding began in March 2021 with Wild Construction overseeing the construction project. Builders for Christ begins their work in June 2021 with teams throughout the summer to help this church rebuild.

Builders for

Builders for Christ is a network of volunteer teams from over 25 different states who offer to assist Southern Baptists in building churches in locations which appear to be in significant need of evangelism. Many of the teams have been involved in this work for over 25 years and, to date, over 50 churches have been built in 15 different states through their coordinated efforts.

To sign up for the Builders For Christ trip,

Our Tasks

Our week (week 5) will involve hanging sheetrock throughout the 8,000 s.f. building, putting up Hardy board siding on the outside of the church, and some light electrical, carpenter, and miscellaneous prep work for finishing. We will also have a VBS team.

call the associational office at 850-785-3115. You will need to sign a release form, a skills assessment form; and, for those working with children in VBS, agree to a background screening, unless you have had one done already for your church or previous mission trip.

Yes, I would like to sign up for the Morristown mission trip, July 24th -31st, 2021
